Total	146,186

Beach Cleanup Results 2018

CLEANUPS OVER THE YEARS

Notes: Our cleanup program began in 2001, but cleanups greatly increased after our Adopt-a-Beach Program began in 2004. In 2005, we became the New Hampshire State Coordinator for the International Coastal Cleanup. Data prior to 2004 includes data collected by the NH Coastal Program and International Coastal Cleanup volunteers.

Cleanup volunteers at Hampton Beach, October 2018

CLEANUP PARTNERS & VOLUNTEERS

- New Hampshire Coastal Program, NH Dept. of Environmental Services
- NOAA
