

# Origami

## What you will need:

- \* Piece of paper (You can print out the next sheet and use printer paper, but any type will do)
- \* These instructions!
- \* Scissors and scotch tape
- \* Hole punch (a hole can also be made with scissors or sharp knife)
- \* Magic Marker for Mouth and Eyes
- \* Cotton ball for blow

**MARINELAND  
RIGHT WHALE  
PROJECT**

Science • Stewardship

Thank you to Marineland  
Right Whale Project and  
LA Public Broadcasting for  
this week's Activity!

Participants, please post your origami whales on the Year of the Right Whale facebook or Instagram page!

We want to see what you create!

Or tag us #yearoftherightwhale #whalewednesday

# Origami

Cut out this box to make your whale or use it as a guide with other paper!
