

Blue Ocean Society for Marine Conservation
Education Internship
Position Description

Title: Education Intern

Position availability: Late May through Early September (10-12 week commitment suggested)

Job Summary:

Assist staff with developing and delivering educational programs. These may include at our Blue Ocean Discovery Center in Hampton Beach, NH, in-person and virtual school/group programs and at our beach cleanups. Assist with developing activities and lesson plans as needed.

Duties & Responsibilities:

- Work with our program staff in delivering educational programs throughout New England, or virtually (as dictated by COVID).
- Educate visitors at our Blue Ocean Discovery Center in Hampton Beach. Includes answering questions and giving short presentations about intertidal marine animals, whales, marine conservation issues, and local landmarks.
- When Blue Ocean Discovery Center is operating, assist with set-up, breakdown, tank maintenance and light cleaning of the facility as needed.
- Develop and conduct activities with children.
- Develop appropriate educational materials and displays, as needed.
- Attend regular meetings with staff and other interns

Experience/Skills Required:

- This internship is open to college students who have completed minimum 1 year of schooling
- Interest and ability in creating a “spark” within program visitors that will inspire them to learn more about and protect the marine environment.
- Customer service experience
- Enjoy working with children
- Public speaking experience a plus
- Ability to work independently with minimal supervision

Special Requirements/Other Information:

- Interns may apply to work part-time or full-time. Suggested minimum commitment of 10 hours/week over 10-12 weeks during the summer.
- Weekend availability a plus.
- Must provide own housing and transportation.

To Apply: Please send resume, cover letter and three references via e-mail by April 15 to: Emma Murzic, Outreach Coordinator, Blue Ocean Society for Marine Conservation, emma@blueoceansociety.org, (603) 431-0260
